

Dunkirk in Detail

Attendance:

This half term our attendance has been GREAT!

The whole school average is 95.4%

The national average this year is 94.4% so we're doing really well

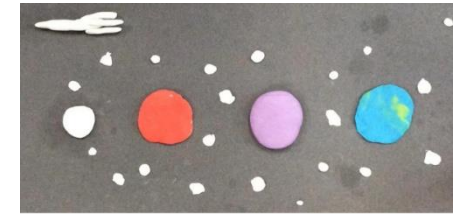

The top three classes for attendance during the last half term are:

- 1. Cypress class with 99.4%**
- 2. Larch class with 96.7%**
- 3. Madrono class with 96.3%**

Maple class were the best attender at Abbey with 96.2%

Year 5 in the spotlight:

Did you know this half-term our Y5s have been film **directors**? As part of our computing curriculum, the classes **have** explored stop motion animation and, working **in** small teams, they have produced some fantastic animations. Drawing on knowledge and skills from their DT, Computing and Science work this year, our pupils have created short films that are out of this world!

Whole School News:

Madrono and Wisteria had a great day at Cadbury's World earlier this week.

Here's what some of the children had to say about it:

'Magnificent! We got to taste the chocolate and we met Fredo!'

'I really enjoyed the part where we smeared the chocolate and write our names in chocolate!'

'Everything was cool!'

'There was this bench that shook to show us how much the beans shook!'

Don't Forget:

While we wait for this Year's SATs results, we thought it would be good time to remind you of how **AMAZING** last year's results were!

Comparing our results to all the other schools in the Nottingham Schools' Trust:

- **3rd highest scores in maths**
- **4th highest score in reading**
- **9th highest score for writing**

Our progress were well above the national average as well so you can see what a great education that children at Dunkirk are getting!

Coming up:

Next week, school is closed for half term. We re-open on MONDAY 3RD JUNE.

The Highfields Conker's Trip takes place on June 6th and 7th.

The Abbey Conker's Trip takes place on June 13th and 14th.

Monday June 24th – school closed for an INSET day
