Thank you so much for your support. Good attendance really does make a difference!

## Year 6 in the spotlight:

This week, year 6 have started their swimming This week, year 6 have started their swimming lessons to ensure that they're starting secondary school able to swim 25m. It was a joy to see Omasirichuckwu and Mmasichuckwu have their FIRST EVER experience in a pool. Both the girls were a little anxious but threw themselves (literally at the end of the session) into their lesson and a beaming smile never left their face. Our other twins, Duong and Huy showed off their impressive swimming skills and excellent technique. Back at school, afternoons have been dominated with revision for SATs and (say it quietly) I think all the pupils are ready!

## Whole School News:
