Year 2 in the spotlight:

Life skills!

At Dunkirk, we know how important it is for children to learn life skills as well as academia. DT lessons are a great place to learn these skills and this week Year 2 have started their Fruit Salad project. The focus has been learning how to safely chop fruit and the equipment needed. Their aim is to make a Papua New Guinea fruit salad called Talautu.

Don't Forget:

We have a zero-tolerance policy against racism!

Racism is the discrimination and / or prejudice against people based on their race or ethnicity.

Any suspected incident of racism is dealt with seriously. A child-on-child investigation is conducted and could result in an internal exclusion from school.
